Read the Gospel of Mary in 30 Days

Reading the Bible well involves more than simply glancing through the pages. Cultivate a consistent reading habit, even if it's just 15 minutes a day. Choose a translation and format that you enjoy, and find a quiet space where you can focus. Don't be afraid to use study aids like commentaries or dictionaries to deepen your understanding. Most importantly, approach the Bible with an open heart and a desire to hear from God. Journal your reflections, pray for guidance, and consider joining a Bible study group to discuss and learn with others. Remember, there's no single "right" way to read the Bible, so experiment and discover what works best for you.
